UIUX Designer & Graphic Designer

## PROFILE INFO

I'm a passionate Graphic Designer & UI/UX Developer with 2 years of experience bringing ideas to life through creative and user-friendly designs. I specialize in crafting engaging visuals and intuitive interfaces that connect with users and reflect brand values. Whether designing for digital platforms or print, I thrive on blending creativity with functionality. Proficient in tools like Adobe Creative Cloud and Figma, I enjoy collaborating with teams to create designs that not only look great but also deliver impactful results.
